- ☐ **READY TO SHIP:** 16 weeks from payment in advance receipt (August excluded)
- ☐ **SHIPMENT:** By truck
- ☐ **VALIDITY:** 2 months from above date unless extended in written and according to
availability of codes upon confirmation of this offer.
PLEASE NOTE THAT DELIVERY TIMES APPLY AT THE DATE OF ISSUE OF THE
OFFER, THEY ARE SUBJECT TO CHANGE AT ANY TIME AFTER THIS DATE.
- ☐ **WARRANTY:** Bottero guarantees that the equipment supplied is manufactured in full
conformity with the description, technical specification and conditions of this
Order Acknowledgement. High quality materials and first rate workmanship
have been used in the manufacture of the equipment.
The warranty period under normal operating conditions of the equipment
supplied by Bottero is 12 (twelve) months from the date of shipment **for new
pieces**, wear and tear parts excluded; **and months 3 (three) for
overhauled pieces such as new ones.**
The warranty conditions are limited to the replacement of the proven faulty
component on ex-works conditions. They do not include installation
workmanship or indirect costs (i.e.: return air tickets, hotel, etc.).
This warranty applies on condition that defects are not imputable to Customer's
responsibility, like:
 - ☐ negligence;
 - ☐ installation performed by operators not authorized by Bottero;

- ❑ improper use of the product
- ❑ faulty maintenance or handling;
- ❑ defective construction work or unsuitable foundations;
- ❑ wrong water, air, electrical power, oil, gas supply, etc.
- ❑ unsuitable repair or parts replacement;
- ❑ equipment improper exposure to too high temperature, water or other extraordinary conditions (chemical, electrochemical or electric effects).
