SALES CONDITIONS:

- ❑ **PRICES:** In EURO – FCA CUNEO
- ❑ **PAYMENT:** 100% ADVANCED
- ❑ **BANKERS:** INTESA SANPAOLO S.P.A.
P.zza Europa ang.c.so Giolitti
12100 CUNEO / ITALY
ACCOUNT NO. 10919
SWIFT CODE (BIC): BCITITMMF60
IBAN IT90I0306910200100000010919
- ❑ **READY TO SHIP:** 16 weeks from payment receipt
- ❑ **SHIPMENT:** by truck
- ❑ **VALIDITY:** 2 months from above date unless extended in written and according to availability of codes upon confirmation of this offer.
PLEASE NOTE THAT DELIVERY TIMES APPLY AT THE DATE OF ISSUE OF THE OFFER, THEY ARE SUBJECT TO CHANGE AT ANY TIME AFTER THIS DATE.
- ❑ **WARRANTY:** Bottero guarantees that the equipment supplied is manufactured in full conformity with the description, technical specification and conditions of this Order Acknowledgement. High quality materials and first rate workmanship have been used in the manufacture of the equipment.
The warranty period under normal operating conditions of the equipment supplied by Bottero is 12 (twelve) months from the date of shipment **for new pieces**, wear and tear parts excluded; **and months 3 (three) for overhauled pieces such as new ones.**
The warranty conditions are limited to the replacement of the proven faulty component on ex-works conditions. They do not include installation workmanship or indirect costs (i.e.: return air tickets, hotel, etc.).
This warranty applies on condition that defects are not imputable to Customer's responsibility, like:
 - ❑ negligence;
 - ❑ installation performed by operators not authorized by Bottero;
 - ❑ improper use of the product
 - ❑ faulty maintenance or handling;
 - ❑ defective construction work or unsuitable foundations;
 - ❑ wrong water, air, electrical power, oil, gas supply, etc.
 - ❑ unsuitable repair or parts replacement;
 - ❑ equipment improper exposure to too high temperature, water or other extraordinary conditions (chemical, electrochemical or electric effects).
